

Name: Shaun

Surname: Mabena

Our Ref: Dr Lepidipidi

Date issued 2019-08-20

Hey Shaun Mabena , your blood type of AB matches with AB and O+ but your weight is less than 50 kg so unfortunately you cannot donate blood. It has been discovered that you are underweight therefore an underweight diet plan is recommended for you. You can generate the diet plan in "Diet Recommendation" on our website.
